STUDENT/TEACHER/PARENT COMPACT

It is important to us at Hill Elementary that teacher, parent and student work as a team to provide the best learning experience possible for each and every student. It is our shared responsibility to guide each individual student in achieving his or her greatest potential. In order for a student to reach his or her potential it is important to provide support to students who require intervention and enrichment. Each member of our team has their own separate responsibilities to ensure potential is reached and this compact outlines these responsibilities. We are requesting that teachers, parents and students read the responsibilities below and agree to them by signing at the appropriate line at the bottom of each segment.
